

IV International Neutrino Physics School

Pontecorvo

26 September — 6 October, 2010
Alushta, Crimea, Ukraine

Organized by JINR (Dubna)

Organizing Committee

A. Olshevskiy — chairman
S. Bilenky — scientific co-chairman
A. Bolshakova — scientific secretary
T. Donskova — secretary
V. Bednyakov
V. Brudanin
Yu. Gornushkin
S. Pakulyak

The Program

Phenomenology of neutrino oscillations
Neutrino oscillation results and prospects
Neutrinoless double beta decay
Theory of neutrino mass and mixing
Direct determination of neutrino masses
Neutrinos in cosmology
Mössbauer neutrinos
